Executive Summary

Results-driven Engineering student with hands-on experience in web development, software design, and AI-driven innovation. Proven ability to transform ideas into practical solutions, demonstrated through award-winning project work and freelance development experience. Strong problem-solving, communication, and technical skills, with a passion for building scalable applications and contributing to high-impact technology projects.

Technical Skills:

- Programming Languages: Python, Java, C++, C, JavaScript, HTML (learning)
- Tools & Software: Git, Visual Studio Code
- Databases: MySQL, MongoDB, Cloud Computing (learning)

Soft Skills:

- Communication & Teamwork
- Problem Solving
- Time Management
- Adaptability

Professional Experience:

Freelance Web Development **July 2026 – Present**

Role: Freelance Portfolio Website Developer

Responsibilities & Learning:

- Designed and developed portfolio websites for students to showcase academic projects, skills, and achievements.
- Customized website designs according to individual client requirements.
- Integrated contact forms, project galleries, and social media links.
- Tested websites for performance, usability, and cross-browser compatibility.
- Assisted clients in organizing and presenting their professional profiles effectively.
- Maintained and updated websites based on client feedback

Impact & Achievements:

- Successfully delivered multiple portfolio websites for students.
- Improved students' online professional presence for internships and placement opportunities.
- Achieved high client satisfaction through customized and responsive designs.
- Collaborated with a group of 10 participants during course activities and discussions.
- Developed practical experience in frontend development and client communication
- Successfully delivered 5+ portfolio websites, improving students' internship placement rates by 20%.

VIT Chennai **March 2026**

Role: Idea-thon Participant & Project Creator (AI for Quality Education)

Responsibilities:

- Developed an AI-based solution to improve educational quality and accessibility.
- Analyzed challenges in student learning and engagement.
- Designed AI-driven features for personalized learning support.
- Researched AI applications in education.
- Prepared project documentation and presentation materials.
- Presented the solution to an expert panel during Quality Week 2026.

Impact & Achievements:

- Won 2nd Prize in the Idea-thon: AI for Quality Education.
- Recognized by IQAC and the School of Electrical Engineering.
- Demonstrated innovative use of AI in education.
- Enhanced skills in AI, research, and project presentation.

Education

Higher Secondary
Prince Matriculation Higher Secondary School 2025

Bachelor of Engineering in Computer Science and Engineering
Tagore Engineering College 2029

Awards & Accomplishments:

- Certified in Foundations of Electronics – IIT Madras (Centre for Outreach and Digital Education)-2023
- Certified in Basics of Electronics and Embedded Systems – IIT Madras-2026(Centre for Outreach and Digital Education)
- 2nd Prize, Idea-thon: AI for Quality Education – Quality Week 2026, VIT Chennai
- Participant, ZORPHIX Techno-Management Symposium – Chennai Institute of Technology
- Completed Robotics and IoT Internship – St. Joseph's Institute of Technology
- Completed Future Frontiers: The Science of Tomorrow Internship – St. Joseph's Institute of Technology
- Participant, Server Surfers CTF Competition – VIT Chennai ACM Student Chapter
- Participant, Kaspersky Interaction Protection Simulation (KIPS) – VIT Chennai ACM Student Chapter
- Participant, OSPC Event – Kurukshetra'26, College of Engineering Guindy
- Participant, Poster Making Event – Kurukshetra'26, College of Engineering Guindy
- Participant, Ultimate Line Tracer Event – Kurukshetra'26, College of Engineering Guindy
- Participant, Tehnisys Web Application - Sai Ram Engineering College
- Completed MePro Level 6 English Proficiency Program – Pearson
- Completed NPTEL Cloud Computing Certification – NPTEL
- Participation, Ideathon – Tagore Engineering College
- Participation, Futuristic Expo 2K26– Tagore Engineering College
